

# G. W. Carlson Elementary

May 2025

Yearbooks are now on sale. The cost is only \$15.00 per book. The pages look spectacular thanks to the talents of editor, Leah Edmunds. The Yearbook records all the “big” school events but also captures many smaller memories throughout the year. There is always lots of fun and excitement when the Yearbook arrives – don’t miss out. Orders to be placed through Munchalunch.ca – or you can reach out to the office and we can help.

Last day to order: **May 9<sup>th</sup>, 2025**

## Upcoming Inservice Day

On Monday, May 26, schools will be closed for our last in-service day of the year. The focus for this in-service day is Indigenous education; district staff will be travelling to Prophet River to spend the day in community to explore the theme of "Building Relationships" through a variety of presenters and activities. The district is grateful to Prophet River First Nation for welcoming us to their community to share in this important learning opportunity!

## Emergency Evacuation

It was a year ago last May that our town was evacuated so I'd like to remind everyone of our Emergency Evacuation procedures – there is a guide attached to this letter summarizing important information. Please ensure your emergency evacuation contact list (the trusted adults that can pick-up) is up-to-date.

## Numbers for Next Year

We are presently looking at classroom configurations for next year. To help us in planning a smooth September start-up, please notify the school if you know your child will not be returning to GW Carlson in the Fall. Also, if you are aware of families that expect to move to town over the summer, please let us know and ask that the family contact the school.

## Changing Weather

Our playground is full of fun, wet, or muddy spots. Please send rubber boots, splash pants and for some students an extra set of clothes may be necessary. Fingers crossed we'll have some sun soon. Please have your child wear sunscreen and bring a hat for those days.

## Breakfast at GWC

Our Breakfast Club continues to be a success. On average, 50 students access the breakfast each morning. As well, fruit and healthy snacks are provided to each classroom Tuesday through Friday.
